Correction

In the article by Cossette I, Ouellet M-C, McFadyen BJ, A Preliminary Study to Identify Locomotor-Cognitive Dual Tasks That Reveal Persistent Executive Dysfunction After Mild Traumatic Brain Injury, Arch Phys Med Rehabil 2014;95:1594-7, please note that the reported *P* value in the sentence, "There were no significant main effects of group for gait speed ($P = 1.178$)"^(p1595) should read ($P = .178$).
