Retraction notice to “Abnormal Bone and Calcium Metabolism in Patients After Stroke” [Arch Phys Med Rehabil. 81 (1) 117-121]

Yoshihiro Sato, MD, PhD

From the Department of Neurology, Kurume University Medical Center, Kurume, Japan.

This article has been retracted: please see Elsevier Policy on Article Withdrawal (<https://www.elsevier.com/about/our-business/policies/article-withdrawal>).

This author has an extensive history of ethical lapses of his work. Numerous papers in which he is author or co-author have been retracted by other journals. Many of the references cited in this work have been retracted by the respective journals. Based on these circumstances, the Editors have decided to retract this paper.
